Mr. Larry Wilderotter
President
Bedrock Concrete Corporation
801 Hartle Street
Sayreville, NJ 08872

Dear Mr. Wilderotter:

I just wanted to send you a letter to express my pleasure in working with you and your crew on the Central Crossings Business Park Building #2 East. I was impressed with the high quality product, the efficiency and professionalism of your crew. Due in part to the assembly line construction process, the overall completion schedule exceeded our expectations. This was the first tilt-up building that CSR Construction Corp. was involved in and the construction time was much faster than we are accustomed.

We should be breaking ground on the Central Crossings Business Park Building #2 West in the spring of 2009. We look forward to working with Bedrock on this project.

Thank you again for a job well done. If you every need a recommendation from CSR or myself, feel free to contact me.

Sincerely,
CSR Construction Corp.

Katherine Ubinger, P.E.
